

Take the plunge! Participation is Fun!

Please clip box tops this summer to help Mutual!
The grade level with the highest participation will receive a COOL treat!

Clipping labels (box tops, Tyson's, Campbells+) is the easiest way to ensure that the PTA can continue to provide cultural arts assemblies, field trip transportation expenses, educational classroom resources, fun family events, and so much more for our school! Don't forget to start saving labels from over 50 Tyson's Chicken products this summer— each label is worth 24 cents when redeemed by Mutual!!

Please send in the summer collection sheets or baggies labeled with student name/grade the first week of school in August! More collection sheets are available in the MES Office or at www.mutualpta.com under the Parent Resources link. Please contact Linda Ward with questions at (410) 610-3736 or wardla@chesapeake.net

HELP MUTUAL BY SAVING LABELS!!!
